

Sell us your unwanted or unloved, surplus or obsolete unused printer cartridges!

We buy most makes and models of new unused toner, inkjet, fax and photocopy cartridges. We have purchased millions of pounds worth of unused printer cartridges over the years and so have the experience to help you achieve the best possible value.

If we also collect your empty cartridges, your new cartridges can be included with these to simplify your cartridge returns.

To see what your new cartridges are worth, please complete the details below and we will come straight back to you with a quote which will include **FREE UK** nationwide collection.
